TERMS AND CONDITIONS ON PROPERTY ACCOUNTABILITY

RESPONSIBILITY AND DUTY OF THE PERSON IMMEDIATELY ACCOUNTABLE

As a rule, **Section 145 of COA Circular 92-386** prescribes that “**The person in actual physical possession of or entrusted with the custody or control of supplies or property shall be responsible for the proper use and care of the same and shall exercise due diligence in the utilization and safekeeping thereof.**”

Section 149 of COA Circular 92-386 provides further that: “The person in possession of or having custody or control of supplies or property is accountable thereof shall be liable for its money value in case of illegal, improper or unauthorized use or misapplication thereof, by himself or any other person for whose acts he may be responsible, and he/she also shall be liable for loss, damage, or deterioration occasioned by negligence in the keeping or use of such property/ies. *The burden of proof that due diligence and care in the utilization and safekeeping thereof was observed rests on the accountable officer.*”

During the course of actual inventory taking, the accountable officer is required to produce or present the properties issued under his or her custody.

In case of **Non-existing or Missing Property, Plant & Equipment (PPEs)**, a demand letter will be issued to the accountable officer requiring him/her to present the missing PPEs to the Inventory Committee. The accountable officer has five (5) calendar days to respond to the demand letter. Failure to present such property, the GSO will submit the list of non-existing/missing PPEs that could not be produced upon demand to the Accounting Office. The Accounting Office will set up the corresponding accounts receivable from the concerned accountable officer (**Sec. 7 of COA Circular 2020-006**).

In case of **loss of government property**, the accountable officer, upon discovery of the occurrence of loss shall immediately notify in writing the General Services Office (GSO) and Commission on Audit (COA) simultaneously. The GSO and COA will conduct separate investigation and inquiry of the reported loss. The accountable officer shall file a request for relief of accountability within thirty (30) days from the date of discovery of the loss to the City Auditor with the following supporting documents:

- a. Notice of Loss showing the exact date of filing
- b. Affidavit executed by the accountable officer stating the following facts:
 - Property lost and its valuation;
 - Actual date in which the absence was first noted;
 - Manner of disappearance;
 - Efforts put forth to recover the same;
 - Provisions made to safeguard the property; and
 - Date when the loss was reported to the City Auditor and the police authorities
- c. Joint Affidavit of two (2) disinterested persons cognizant of the facts and circumstances of the loss;
- d. Final Police Report showing the steps taken by the police authorities to recover the property lost and to apprehend the suspect(s) and the present status of the case;
- e. Comments and/ or recommendation of the agency head;
- f. Comments and/or recommendation of the City Auditor as a result of the investigation and evaluation of the causes of the loss and the evidences submitted
- g. Certification from Police/ Fire Chief/ Provincial Governor/ Mayor or other competent authority as to the destruction brought by natural calamity insurgency;
- h. Inspection Report on the extent of damage on insured property;
- i. Copy of Property Acknowledgment Receipt (PAR) or Inventory Custodian Slip (ICS) for property lost.

In case of **transfer, promotion, retirement, resignation and other modes of separation** from government service, the accountable officer is required to turned-over to the supply officer or to the next-accountable person all PPEs issued under his/her custody as evidenced by a new PAR or ICS duly signed by the next accountable person or the supply officer of the concerned office or department. Failure to do so will not relieve him/her from property accountability.
